Conspiracy case - and violation of
my Constitutional rights.

After my husband passed away I lived with
A man Named Danny Duke of Balch Springs
who married a woman named Amanda. She
was 24 at the time and they assumed my identity
and conspired to kill me. I couldn't get any help
from Balch Springs P.D. So I went to the Dallas
District Attorney's office, where I met Grant H. Jack.

Grant Jack was an investigator with The Dallas District Attorneys. I thought that was the last I would ever hear of the two of them. She lived in a mobile home park in Mesquite boarded^{ing} Dallas County. CLOSE TO MY LATE HUSBAND'S & I (his widow) 920 MCKENZIE Mesquite, TX

I moved back to FORT WORTH, my hometown, and lived at UGM until I was eligible for FORT WORTH Housing Authority found me an apartment Historical Electric Bldg downtown FORT WORTH where I resided for 5 years

During those 5 years I WAS A member of an AA club house Harbor Club 3000 W. 5th St. where I met a man named Richard "DICK" SMITH. I was placed on Probation in Dallas County for fleeing the domestic violence I incurred at the hands of Danny Duke, Amanda's husband.

Dick Smith, I believe was a

preditor and was very friendly and asked if I needed help in any way. I am^a disabled widow, on probation and it was hard making ends meet so I borrowed \$200 from Mr Smith.

At this same time Grant Jack + Dallas county we monitoring my phone calls w/o my permission.

Grant Jack, I later found out was former Secret Service and I saw a photo of him WITH an assault rifle + bullet proof vest guarding the younger President George Bush at Crawford Ranch.

I didn't pay Dick Smith back immediately and Grant Jack made a bet WITH Richard "DICK" SMITH that he could try to kill me + Grant Jack could keep me alive.

all this while, Grant Jack WAS watching me at the Harbor Club celebrations at cen July 4th Dick Smith came

up To Me + TOOK my HAND AND
KISSED IT. I had previously seen
Grant Jack AND A team standing
beside a surveillance van. as Dick
Kissed my HAND - STORM Sirens went
off and my Apartment in Historic
Electric became⁹ War Zone. Saw a
Man Named Mike, member of ~~the~~ Harbor
Club from Chicago, IL. There was
a tall African American Named Anthon
who was a Veteran who lived below me
whom I believe was protecting me.
I lived on the 3rd floor. I Saw a
man WITH a deer rifle on the ~~the~~ Parking
lot adjacent from my building - he saw
me looking at him and got back into
his truck. I was hiding in the bathroom
once and heard Grant Jack's voice say
"look at GINGER". He told my Aunt Mary
Johnson and other members he was going
to marry me. That he was saving me
from Dick SMITH. This went on for
a long time. Jack would enter my

Page 5

apartment and leave out clothes he wanted me to wear. On one night, he convinced me to pack a bag to run off + get married and I sat in a rocker at the window looking up to the Burks Burnett Bldg and I could make out a display on the Building which read G JACK X 2. I had to get down on my knees, sleep in the closet, urinate in a rubber boot, drag my futon mattress into the bathroom. I went to my church, First UNITED METHODIST CHURCH to speak with FORMER FEDERAL Prosecutor Brooks Herrington of the Justice Ministries, also over WOMENS CENTER LEGAL ISSUES. ~~THE E BAR Black~~
~~OOOOOOOOOO~~

Back up to Union Gospel Mission - I got an infection on my chest + went to the Healing Shepard Clinic for treatment and was treated by Dr. Randal Brown who for some reason instead of prescribing medication, irrigated it leaving a hole in my chest full of Gvaze.

I googled Grant Jack's name during this time period and discovered an article, Dallas Morning News ~~where~~ Nov. 7 2014, where The Texas Rangers were investigating Jack for Sex Crimes, official Bribery and a young woman, later Jack told me her Name was Debbie, wore a WIRE.

I ~~had~~ suffered from Stockholm Syndrome and never got a chance to check into it. I started becoming very ill. Visiting local hospitals EMERGENCYS and I was having heart attacks. Jack Sent a message once "You have 24 hours to live" You've been poisoned WITH Arsenic. I had a service dog when I went to the Texas Rangers office in Mesquite AND Ranger Jay Odem had me taken to a mental hospital which was going to let me out on the streets. I told them I live in Fort Worth. They drove me home + my apartment was ransacked + he would gas light my things + furniture.

Page 7

I had a silver VW Beetle Bug and an Hispanic woman in a Chevy Blazer put her auto in reverse & gunned it crushing my Beetle's engine. I had to ride a bus home.

~~repeated~~ I was able to get an hair follicle from ANY LAB proving Arsenic in my system. When the report came in the mail, I called my case manager Cory Castle to meet WITH me at my Apartment, Cory called any lab and they all down played the results. I call Fort Worth PD. and they mocked me.

Requested to move to Pennsylvania Place Apartments by Fort Worth Housing Authority. My eight years there were hell. The Apartment Manager & maintenance men would lock me out of my apt, Intimidate me, and poison my food & Dogs and allow dangerous people Christopher TUCKER who assaulted me

at Watts Park to again have access to the Apartments after I told her that he was the man who assaulted me at the Park which when Fort Worth PD were called by a unknown citizen that "Charles" was Choking me didn't arrest him. Sent me home + let him go + live by a toddler day care exposing them to his drugst bodily functions. During this time every cell phone I tried to use would either blow up saying no more data to film Charles. Cars would speed up on me as if they were trying to hit me. Coffee started making my heart feel like it was going to explode. once I took a pill prescribed to me and it made my head feel like it was gonna explode went to Harris Methodist ER - while waiting for Dis charge plans was arrested for Criminal trespassing, held in Tarrant County Jail and was terrorized by Cops. Sheriff's dept.

While I was at the Harbor Club one day WITH my Service Dog Snugg, which I gave to a stranger when I went to seek help from Ranger Jay Odem.

Darrall Johnson brought a cake to the club and he was laughing + eating cookies, I ate the cake and it was the strongest dose of poison yet. The had a thug pet my dog and poisoned her also. I made it back to my Apt and thought If I'm going to die, it will be because my heart is too slow so I overdosed my Dog + I on Prescription Atenolol for a congenital heart defect Wolff Parkinson White syndrome.

Now I'm driving a VW Station Wagon working for favor delivery driver. A woman driving a blue 4 door auto told me after she honked at me at 2 lights on Jennings swerving in front of me on Lancaster Ave slammed on her breaks totalling my second car only after I put \$2,000 into the car wheels + tires + auto repairs at Tim's German Auto.

He Had my friends at Harbor Club
Alienate me and my friend whom
I helped out (service work) at Tim's
German Auto refuse to work on my
station wagon instead having Al Crim

at by the FBI on seven occasions.

"Danny" Tom" lived WITH The girl Amanda
whom tried to kill me in 2009. They
were living in my home in Mesquite
while I WAS in the park WITH my
two dogs tied then to a tree to

to get them to a safe place. Danny "Tom" married the woman because they had a baby together.

I filed numerous law suits and was getting down to 98 lbs drinking this time met a man who called his self 'BIFF'. Source told me his name is Major Ben of Abilene.

Fled in my Dad's Brant Austin auto to get help in Austin - NOT SAFE THERE arrested in Robertson after calling police for assault. Poison on my steering wheel.
